Dear John,

Thank you for your note on Jon - it is typical of something you would think to do. His "boss" is very gratified for this important "vote."

I not only remember you but I was even aware of your present assignment. I follow the Newsletter avidly and with a particular interest to spot things about people I got to know in those challenging years.

Thank you for your thoughtfulness. Continued good luck!

Sincerely,

(signed) John W. Coffey
